

Dear Parents,

Seton Academy is a family growing in faith, academic excellence, and service in the spirit of Jesus.

At Seton Academy we see every child as a seed of hope and we know that each child holds future promise. The school children are not only well-educated in academic subjects but formed lovingly and carefully in their Catholic faith and values.

Seton Academy is privileged to educate the whole child: academically, spiritually, socially, and physically. It is truly a wonderful place for learning and expanding a child's horizons. Each child is treasured and treated with dignity and respect as Jesus taught.

We welcome you to come and experience the family spirit at Seton Academy. It is a place fully steeped in love.

Sister Helen, SSJ

“We are Companions on the Journey.”

READING BUDDIES

LEAF RAKING

MORAL COMPASS

FIELD TRIPS

CAMARADERIE

Faith

At Seton Academy faith is not only taught it is “caught”.

- Daily Prayer
- Monthly Liturgies
- Pastor Visits
- Religion Classes

Academic Excellence

NYS Math Tests 95%
NYS ELA Tests 95%
NYS Science Tests 95%
NYS Social Studies Tests 100%

Seton Academy is very proud of its scores on the NYS Standardized Tests, but we know this is only accomplished by focusing on the individual student.

Academic support is provided for those who need it.

Two Seton Academy teachers have been named Diocesan Teacher of the Year. Seton has highly qualified and experienced teachers.

Service

Seton Academy students are the hands of Jesus by serving their local and global communities. Students are actively involved in The Holy Childhood Association and reaching out to those in need.
